- Can a child be the Star if the Week more than once?

Yellow hat

Children felt that if a child has more than one good week they should be able to be star of the week more than once

Black hat

The children wanted everyone to have a turn at being star of the week. However, the majority felt that a child who does not show good behaviour and learning may not get a turn at being the star.

## Part Two

### Background information

The staff at Gomer and Elson had a meeting and came up with some ideas of what we would like our schools to be like - called A VISION.

### Do you agree or disagree with some of the ideas the staff had?

- Our schools should give the BEST learning for EVERYONE!  
All agreed
- We should all "AIM HIGH"  
All agreed - with the added words TEACHERS and CHILDREN
- We should CELEBRATE all of our STRENGTHS  
10 Agreed 2 unsure about how we would celebrate
- Our schools should be SAFE and NURTURING  
All agreed
- Our children should be EXCELLENT, CONFIDENT "CAN DO" learners  
11 Agreed 1 unsure
- We should all be INSPIRED and MOTIVATED to LEARN  
All agreed
- Our schools should be nurturing environments where there is RESPECT, EQUALITY and HIGH EXPECTATIONS  
All agreed - but must remember everyone is different so we can not always treat everybody the same.

## What do you think our school should be like?

Children want our school to be how the staff described it. They felt that we might also add the words:

Showing respectful behaviours

Always trying our best

Sensible all the time
