

We have been learning the story
The Very Hungry Caterpillar

- Can you practice and learn the story using your story map?
- Can you write about what happens in the story?
- Can you write some facts about mini beasts?
- Can you practice your handwriting and take care with sunny, floating and wet letters?

We have been learning about
doubling and halving

- Can you share your Lego bricks into half?
- Can you cut your dinner into two equal halves?
- Can you tell me the double of your age, number on your house door, number of people in your family etc....?
- Can you count in 2's?
- Can you make a symmetrical model or pattern with your toys?

We have been
learning about
how to grow and
care for plants
and living things.

- Can you draw a plant and label the parts.
- Are you growing your own plants at home? Show how you take care of them and record the results.
- Can you use non-fiction books or Espresso to find out about plants, trees, mini beasts and wildlife in your garden?
- Do you have a family pet that you help look after? What do you do to care for them?

Here are some ideas to help you support your child's learning at home surrounding the learning we have covered so far this term.... . Please remember to upload any observations to Tapestry to help form part of their evidence for assessment. Please include an explanation of their newly acquired skills, how they enjoyed it and let us know whether it was independent or supported by you.

We have been
learning how
to accept
challenge and
grow our
brains.

- Have you practiced a skill and improved your ability?
- Did you find something tricky and persevered until you reached your goal?
- Have you become independent in a new skill that you needed help with before?
- Are you a member of a team, did you work together to achieve?
