

Minutes of Joint Federation Pupil Voice Meeting

11th February 2016

Attended by children from Gomer and Elson Schools, Mrs Marshall, Members of the Governing Body, Mrs Woolley and Mrs Parkinson.

Children from both schools wanted to share their ideas for how both Gomer and Elson can collaborate with each other.

The ideas given to the Governors were:

- Classes to visit each other's schools
- Make films of each school to share and learn about each other
- Joint Discovery Times/Stay and Play sessions
- Write letters – maybe even have a penpal!
- Shared school trips – especially if we are learning the same topics
- Have a “Buddy” from the other school to make contact with
- Share a Sports Day – having teams mixed with children from each school
- Visit each other's school every half term
- Have a joint picnic
- SKYPE/Email a class

Action

It was agreed that each class/year group could send something to the other school, for instance a letter, picture or some learning.

A vote was taken and it was agreed that we would like to try and organise a joint picnic as our first event! The grown-ups at the meeting are going to organise.

All of the children who represented our school at this meeting were in the Special Book to acknowledge their hard work at all of the meetings they have attended recently.
