

In geography we are thinking about our own houses and the variety of homes in the local area. We will be visiting the local area to look for physical and manmade features.

Our talk for writing focus will be on good and bad characters in stories. We will be finding out what story book villains do and how they behave. We will be making wanted posters.

In numeracy we will be investigating halving amounts and solving problems involving money. We will also be learning about capacity.

In science we will be learning about materials and their properties.

In computing we will be using digital devices—IPad, cameras, talking clipboards to record our learning.

In art we will be exploring a variety of card making skills including printing techniques. We will also learn different joining techniques to make our cards more exciting!

Year 1 will be learning this half term through the topic Villains

Our PSHE focus is on caring for others and respecting their opinions.

In circle time we will be talking about relationships.

In PE our gym focus is developing our balance skills and improving our performance skills through ICT equipment. Our games focus will be on improving our ball control.

In music we will use a range of instruments to create different musical effects related to our villains focus.

In RE we will be using stories to help us think about our feelings. We will also explore ideas about feelings in relation to the Easter story.

Our learning power alien is Indirer. He helps us to plan our learning and ask questions to find out more.
