What sorts of things will I be asked to do?

You will be supporting the teacher; this may include reading with children, supporting group work, helping with art or other practical subjects and preparing resources.

What should I wear?

Comfortable and safe clothing, not denim, open backed shoes or flip flops. Please ensure mobile phones are left at home or switched off.

Can I help in my child's class?

It can be distracting for children if their family members are helping in their classroom so we will always place volunteers in a different year group from their child.

What will I need to do before my first visit?

Provide your e mail address so you can complete a DBS check, read the Health and Safety for Visitors leaflet, visit our school website for information and policies, read and sign the 'Volunteers in School Agreement'. You will be asked to sign in and out electronically on each visit.
