

In Geography we will be comparing climates with Madagascar.

Science

We will learn the importance of fair testing and carry out some of our own!

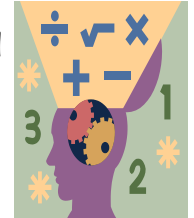

In Literacy we be learning the story 'Mrs Armitage on wheels' and using it as a

stimulus to help us write stories with a balanced structure.

Maths

In our number work we grow our brains in calculating with +/-, x and ÷. We'll also use different strategies to help answer number problems.

Art/ DT

We will be studying the work of the famous artist Giuseppe Arcimboldo and use his work as inspiration for our own work.

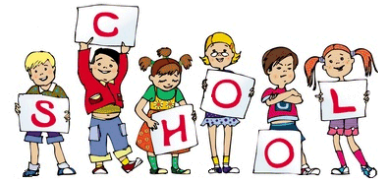

Year 2 will be learning with the topic
Wonderful Wheels

PSHE

We will be talking about our achievements in Year 2 and our feelings about moving school. We will be taking part in an online first aid lesson with St Johns Ambulance and learning how to cross the road safely.

PE

We will be learning how to make our own dances and will begin our preparations for sports day in Athletics.

Computing

We will continue learning to use Lego movie maker and the importance of internet safety.

Music

We will begin to learn how to play the ukelele with specialist music teacher.

R.E.

We will be discussing the ways in which Christians and Sikhs worship God.

To be respectful about other beliefs.

We will be taking part in an exciting art project about bikes! We will also be having a bike day which will involve us bringing our bikes to school.
