

Numeracy

We will continue with our CLIC sessions to reinforce our basic numeracy skills.

We will continue our work on place value and begin solving simple problems using multiplication and division.

Literacy

Our literacy will be based around the story of the enormous turnip. We will learn about the structure of stories and then innovate the story changing the characters, setting and problem.

This half term Year 1's topic will be "Gomer's Growing Gang"

Our Year 1 outside area looks very neglected. How can we improve our environment?

RE

We will be learning about authority figures and why Guru Nanak is important in the Sikh faith.

We will be making comparisons between Christian and Sikh faith

Computers

We will be using i-pads to take a good photo. We will be beginning word processing skills using key boards.

PSE

We will be thinking about how to stay safe indoors and outdoors.

Science

Our focus will be naming common plants and trees, and identifying the structure of plants. We will also be experimenting with the conditions necessary for plant growth.

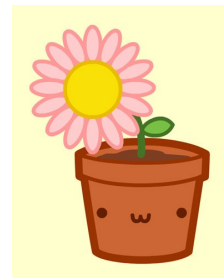

Geography

We will be keeping a class weather log - to record the temperature here and compare it with the temperature in Sydney, Australia.

Art

We will be making a flower pot from clay by manipulating clay with tools and our hands.

DT

We will be designing and making a fabric bag to hold a growing surprise!

PE

We will be learning traditional English country dances.

We will be improving our racquet skills with support from coaches from Alverstoke tennis club.
