

In Geography we will be exploring maps and making our own maps for real and imaginary journeys.

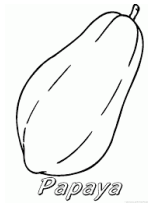

Science

We will be discussing the importance for humans of exercise, eating the right amounts of different types of food and hygiene.

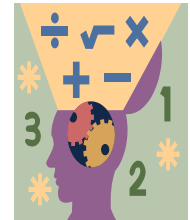

In Literacy we be learning the story 'The Papaya that spoke' and using it as a stimulus to help us write Our own stories.

Maths

In our number work we will get better at calculating with +/-, x and ÷. We'll also use different strategies to help answer number problems.

Art/ DT

We will be looking at the work of Cezanne and Arcimboldo to inspire our own art work.

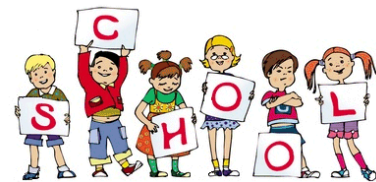

Year 2 will learning the with the topic

Journeys

A 3D rendering of the Earth as a globe, showing continents and oceans.

PSHE

We will be talking about our achievements in Year 2 and our feelings about moving school. We will be taking part in an online first aid lesson with St Johns Ambulance and learning how to cross the road safely.

Athletics

We will be practising sending a ball with a racquet. We will also be practising our jumping skills to improve distance and height.

Computing

We will continue learning to use Lego movie maker on the Ipads and also using Flip cameras to make short films.

R.E.

To discuss the symbols that are important to Christians and Sikhs.

To be respectful about other beliefs.

Music

We will continue to learn how to play the ukelele with Mrs Richardson.

In history we will be looking at Queen Victoria and finding out about the time she visited Gosport.
