

Maths

This half term we will focus our learning on the number system and place value involving 3 digit numbers. We will also develop our understanding, skills and strategies when adding and subtracting numbers to include concrete, pictorial and abstract recording of our thinking.

Music

This half term we will have a focus on "Voice". We will continue our weekly singing sessions with Mrs. Richardson

English

We will learn and retell a report script about dragons. We will be developing our skills in innovating this report to design our own dragon. Our writing skills will focus on the appropriate use of adjectives and a wider range of conjunctions. We will continue to improve our phonic skills, particularly for applying this skill when spelling. In reading we will be studying texts in greater depth, focussing

R.E.

We will learn how people remember important festivals such as Remembrance Day and how Sikhs celebrate Divali.

PSE New beginnings

We will have opportunities to bond as new classes. We will explore how our choices affect others and have consequences. We will also feel good about our personal strengths as well as identifying goals. We will make a class charter linked to rights and respect and also think about how we learn best and how the aliens helps us.

Computing

This half term we will revisit the importance of keeping safe online and how to do this. We will learn how to store, organise and retrieve files in our own folders.

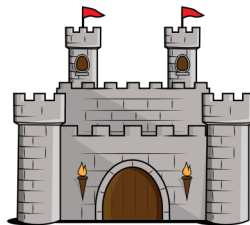

Learning Powers—

Reflective Detectivek

- Observation—We learn by looking
- Imagination—We talk about and explain our ideas
- Reflection—We think

Year 2 will be learning through the topic of
Dragons

Science
