Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment. We recommend regularly updating the table and publishing it on your website as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<p>Children engaged in 2 hours high quality P.E. per week in addition to a large range of extracurricular activities. They also are active for 10 minutes in the morning and afternoon in the day</p> <p>The profile of school sport is raised as a tool for whole school improvement – regular whole school healthy weeks / days / opportunities are promoted</p> <p>Confidence and knowledge of staff is maintained by the use of high quality CPD and mentoring by a P.E. specialist</p> <p>Broad curriculum offered to all pupils in both P.E. lessons and within extracurricular activities</p> <p>Children engaged in a large number of competitive opportunities – to gold mark status.</p>	<p>Increase the number of active minutes each day to 30 minutes and track the engagement of all children</p> <p>Continue to push initiatives to encourage children to be healthy and active</p> <p>Maintain standards of CPD and discuss with teachers new areas for development</p> <p>Continue to seek opportunities to provide additional enrichment opportunities for children</p> <p>Continue to maintain standards of engagement and seek opportunities to encourage all children to take part in festivals and competitions</p>
