

Numeracy

We will continue with our CLIC sessions to reinforce our basic numeracy skills.

We will be investigating halving numbers and solving problems involving money. We will also be learning about capacity.

Literacy

Our literacy will be based around the story of the enormous turnip. We will learn about the structure of stories and then innovate the story changing the characters, setting and problem.

This half term Year 1's topic will be "Gomer's Growing Gang"
Our Year 1 outside are looks very neglected.
How can we improve our environment?

Our learning power alien is 'Reflective Detective'. He helps us challenge ourselves.

RE

In RE we will be using stories to help us think about our feelings. We will also explore the Easter story

Computers

We will be using i-pads to take a good photo. We will be beginning word processing skills using key boards.

PSE

We will be thinking about how to stay safe indoors and outdoors.

Science

Our focus will be naming common plants and trees, and identifying the structure of plants. We will also be experimenting with the conditions necessary for plant growth.

Geography

We will be keeping a class weather log and discussing seasonal changes. We will be looking at an Atlas to find the countries in the UK.

Art

In art we will be exploring a variety of card making skills including printing techniques. We will also learn different joining techniques in DT to make our cards more exciting.

PE

We will be working with Miss King to learn some ribbon rhythmic dances and in gymnastics we will be developing our balance skills. We will continue to work with Primary Stars to learn multi skills and PSHE skills.
