

Personal, Social and Emotional Development

To be able to talk about their own feelings and the feelings of others. We will be thinking about what makes a good friend. We will talk about what makes us unique and how it is ok to be different.

Knowledge and Understanding of the World

To look for signs of new life and to learn the names of the seasons.

To begin to understand why people have eggs at Easter.

To find out about how plants and animals grow and change.

Communication, Language and Literacy

To be able to use our phonics to build words for reading and writing.

To communicate through questioning and answering.

Year R will be learning this half term through the topic **New Life**

Physical Development

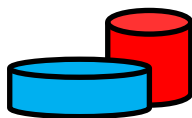

To emphasise shape when curling and stretching and balancing.

To develop skills in hopping, skipping and jumping and introduce low apparatus

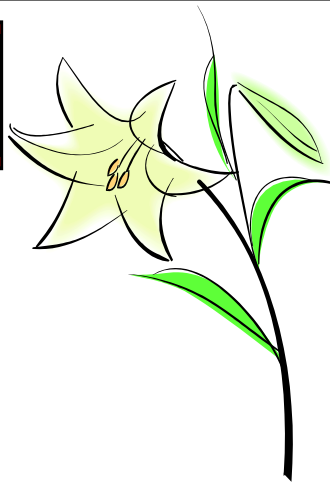

Mathematical Development

To learn about 3d shapes and their properties.

To continue learning about addition and subtraction.

To use everyday words to describe time including days of the week, months of the year and blocks of time during the day

Creative development

Create repeated sounds and sound patterns.

To use instruments to make loud, soft, high and low sounds.

To move in response to different sorts of music.

To learn songs about Easter and new life.

We will be exploring painting and drawing using different media such as watercolours and drawing pencils.
