

Art

We will be exploring how to cut , shape and join a range of materials.

Design Technology (D.T.)

We will design and make a picture frame using a range of tools safely.

Computing

The children will be taught how to save work into their own folder and how to then retrieve and amend their work.

English

We will develop our story writing skills so we can write a superhero story with a clear beginning, middle and ending.

Science

We will learn about materials, experiment with their properties and see how they can be used in lots of different ways.

We will consider questions like: *Which material would be best to make a superhero cape?*

Autumn 2 Year 2
SUPERHEROES!

We will also write a report about our superhero using our learning from Autumn 1.

Our spelling, punctuation and grammar (SPAG) focus will be using adverbs and expanding noun phrases to improve our writing.

Circle Time

We will talk about the feelings related to friendships. How we can be a good friend and how we mend a friendship when things go wrong.

History

Why do people wear poppies at this time of year?

We will find out the answer to this question.

We will also complete an historical enquiry about Queen Elizabeth 1, Queen Victoria and our current monarch Queen Elizabeth 2.

R.E.

We will be getting ready for Christmas by learning what Advent means, why and how Christians celebrate it.

Maths

We will be focussing on multiplication and division as a means of calculating and applying these skills to work out number problems. We will be also be ordering and comparing length and mass and solving problems using these measures.

P.E.

Superhero dance: We will use shapes and travelling to make a repeating dance routine which will be performed with a partner.

In PE we will be focussing on applying skills and tactics by playing a variety of invasion games.

Music

We will be continuing playing the African drums by keeping a steady beat and rhythm.

We will also be learning Christmas songs to perform in our Year 2 play.

The SEGAR alien will help us to learn to persevere and learn from mistakes.

* Spiritual, moral, social and cultural development

Autumn 2 2018
