

Personal, Social and Emotional Development

We will be learning how to work together as a team. (*Forest)

We will celebrate how we are all different and are good at different things.

Communication, Language and Literacy

We will practise innovation of stories using our imagination.

We will be able to use phonic and picture clues when attempting to read new words.

We will know that writing is formed directionally, one word at a time and begin to use the correct sounds in our writing.

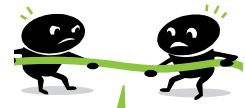

We will learn how to write lists.

Year R will be learning this half term through the topic **Journeys**

Understanding the World

We will be investigating and comparing different materials and how we can join them.

We will be exploring the world around us using our senses (*Forest)

We will be making plans and building models.

We will be learning about special books including the Bible.

Physical Development

We will experiment with different ways of moving and travelling around, under, over and through.

We will learn ball skills

We will learn how to jump and land safely.

We will learn to undress and dress for PE.

Mathematical Development

We will learn how to count forwards and backwards.

We will learn how to estimate and count objects that can't be moved and actions.

We will learn how to measure and compare items by height length and weight. (*Forest)

We will have a focus on teen numbers and ordering non-consecutive numbers.

Expressive Arts and Design

We will learn how to choose appropriate resources to design and make items for a purpose.

We will use tools to help us shape, assemble and join materials when creating.

We will learn to make movements that match the music we listen to.
