

In Geography we will be devising simple maps including a key.

In Literacy we be learning about recounts including diaries.

Science

We will be learning how to work scientifically— recording and explaining results from our plant investigations.

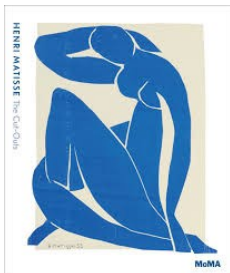

Maths

In our number work we will get better at calculating with $+/-$, \times and \div . We'll also use different strategies to help answer number problems.

Art/ DT

We will be looking at the work of artist Henri Matisse & creating pictures in his style.

Year 2 will be learning through the topic of
The first moon landing

PSHE

We will be celebrating & recognising differences.

Forest Learning

In the forest we will be doing STEM learning (Science, Technology, Engineering & Maths) to solve a problem.

PE

We will be doing yoga & multi skills games.

Computing

We will continue to create algorithms for a robot/ on screen.

Music

We will be using our voice to sing a variety of songs.

R.E.

We will be discussing worship and what it means to Christians and Sikhs.

To be respectful about other beliefs.

History

In history we will be learning about the first man on the moon.
