

Our topic 'All at Sea' will be planned with the children to follow their interests.

We will be having a year group pirate activity day on Monday 3rd June!

Our school trip is to extend our learning about the Titanic. We will be visiting Sea City Museum in Southampton.

We will learn about problem solving and choosing the best strategy to solve a calculation including using known number facts. We will be finding out about 3D shapes and developing our weighing skills.

In Geography we will be looking at what is special about a seaside environment.

We will be making simple maps to show physical and human features of the school grounds.

In PE we will be improving our athletics and games skills outside and developing sequences of moves in gym. In PSE we will be talking about our feelings and about changes in our lives. We will be preparing and supporting the children for the changes coming at the end of the term.

In literacy we will continue with our phonics programme for reading and writing. We will also be developing our story telling skills and learning about letter writing. Our role play area will be designed around our pirate theme.

In Science we will be spotting & naming wild flowers and common trees.

This half term Year 1's topic will be 'All at Sea' Including a history focus on The Titanic

In History we will be learning about The Titanic. We will be looking at a variety of evidence and artefacts to investigate the events.

In RE we will be discussing special places that are important to the children. We will talk about the church as a special place for Christians.

In Art we will be asking is the sea blue and looking at pictures of the sea. We will use paint effects to create different pictures such as painting sand on wet paper.

In computing we will be making our own pirate film using lego movie maker.

We will have the opportunity to use percussion instruments to create sound effects from the sea.

REMINDER: PE will still be on Mondays and Wednesdays

Can you please provide your child with a labelled water bottle, plimsolls/ trainers and track suit bottoms in addition to shorts as we hope to be outside as much as possible.
