

Numeracy

We will continue with our CLIC sessions to reinforce our basic numeracy skills.

We will continue our work on place value and begin solving simple problems using multiplication and division.

Literacy

Our talk for writing focus will be on good and bad characters in stories. We will be finding out what story book villains do and how they behave. We will be making wanted posters.

Year 1 will be learning this half term through the topic
Villains

RE

We will be learning about authority figures and why Guru Nanak is important in the Sikh faith.

We will be making comparisons between Christian and Sikh faith

Science

We will continue learning about plants and learn the names of some common plants.

We will also investigate materials and experiment to find out which material is best to make a roof.

Geography

In geography we are thinking about our houses and the variety of homes in the local area. We will also be using google maps to find/follow a route.

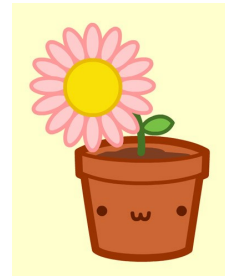

Art

We will be making a flower pot from clay by manipulating clay with tools and our hands.

DT

We will be designing and making a fabric bag to hold a growing surprise!

Computers

We will be using i-pads to take a good photo. We will be beginning word processing skills using key boards.

PE

We will be learning Rhythmic balances and movements to create own dance sequences.

PSE

We will be thinking about how to stay safe indoors and outdoors.

We will be learning the correct techniques in Athletics for running, throwing, jumping, which will help us prepare for Sports Day.
