

Year 2 Topic Planner— Fables

Autumn 2 2020

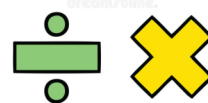

English

Our focus is checking that all of our writing includes our everyday toolkit. We will be making posters, investigating different sentence types such as statements and questions, and re-telling stories. Our spelling, punctuation and grammar (SPAG) focus will be using adverbs and expanding noun phrases to add details and improve our writing.

Maths

We will be focussing on multiplication and division as a means of calculating and applying these skills to solve number problems. We will be also be exploring money; recognising coins and their value and using this as a context for calculating.

History

We will be investigating the importance of our Remembrance celebrations and considering why is it important that we remember.

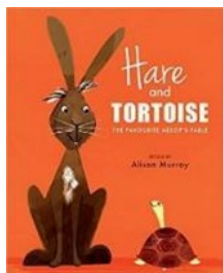

Music

We will be playing Bamboo Tamboo with Mrs Reynolds and developing our skills to keep a steady beat and rhythm.

This term Year 2 will be learning through the topic:
Fables

Circle Time

We will talk about the importance of well-being and what we can do for ourselves and others to support well-being. This will include acts of kindness and how exercise can help.

PHSE—We will consider similarities and differences between our personalities.

Science

We will learn about materials, experiment with their properties and see how they can be used in lots of different ways. We will investigate to find the best material for strength and durability.

PE

Fireworks dance: We will use shapes and travelling to make a repeating dance routine which will be performed with a partner.

In PE will be focussing on our jumping and coaching skills. We will develop a range of jumps from different levels and coach each other on how to improve.

Computing

The children will be taught how to use checked sites on the Internet to search for information.

RE

We will be comparing the importance of light for Sikhs and Christians in their celebrations. We will be getting ready for Christmas by learning about Advent.

Art

We will be exploring how to cut, shape and join a range of materials. We will also use a range of tools and techniques to produce a clay tea light holder.

Seeger will be helping us to learn to persevere and learn from mistakes.

* Spiritual, moral, social and cultural development
