

# Year 1 Topic Planner

Summer | 2021

## Numeracy

We will continue to reinforce our basic numeracy skills, counting in 2s and 10s and learning the buddy numbers that make 10 by heart.

We will be using equipment, drawings, numberlines and known facts to solve addition and subtraction problems.

## Science

We will be looking at the weather and discussing seasonal changes.

We will identify and describe the basic structure of a variety of common flowering plants, including trees.

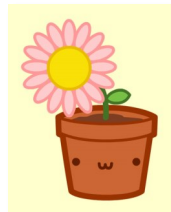

## Geography

We will continue learning about the 4 countries that make up the UK and their capital cities.

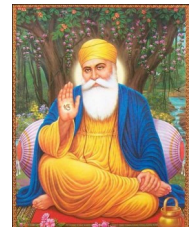

This half term Year 1 will be learning through the topic:  
**Roots, shoots and muddy boots.**

## RE

We will be learning about authority figures and why Guru Nanak is important in the Sikh faith. We will be making comparisons between Christian and Sikh faiths.

## Art

We will be making a flower pot from clay by manipulating clay with tools and our hands.

## DT

We will be improving our junk modelling by learning how to make a plan before we start creating.

## Computers

We will be creating and debugging an algorithm.

## PE

We will be learning some simple traditional country dances. We will be practising the correct techniques in athletics for running, throwing and jumping.

## PSE

We will be thinking about how to stay healthy and making healthy lifestyle choices using our new jigsaw curriculum.

\* Spiritual, moral, social and cultural development
