

## Gomer Young Governor Application

Do you think that you would be great at **listening to your friends'** ideas about our school, and feel confident to share them with other children from different year groups? If you do, then perhaps becoming a Gomer Young Governor is for you! A Gomer Young Governor will get to share their own and others ideas about how we can make our school an even better place for all of the children!

This is a very exciting and important job! If you think you would like to contribute to our school community by becoming a Gomer Young Governor, then please fill in the application form below.

Please try to fill this form in yourself and think carefully about your ideas before you write them down. If writing your ideas is tricky, you can ask a grownup at home to help you.
