Ensuring our children develop vital skills and knowledge that will help them to effectively communicate their ideas and emotions creatively and fluently through spoken and written language

Writing

Teaching children to develop competence in transcription (spelling and handwriting) and composition (articulating ideas and structuring them in writing).

Handwriting

Teaching essential handwriting skills through our Kinetic Letters handwriting programme. Teaching children how to understand the relationship between words, their meaning and how to use rigurative language in spoken and written form

Spoken Language

Our English Curriculum enables our children to shine by..... Teaching our children to express themselves and ensuring the continual development of pupils' confidence and competence in spoken language and listening skills.

Phonics

Teaching essential decoding skills through the Read Write Inc. Phonics Programme.

Gomer Infant School Curriculum Intent

More detail of our intents are on the next few slides
