Child Protection Declaration

I understand that **Gomer Infant School** is entirely committed to safeguarding and promoting the welfare of children and young people, and expects all those working and volunteering on the school site to share this commitment.

I have been made aware of the key principles of the school's Child Protection policy, including the procedure for reporting concerns, the requirement for pre-employment checks to be undertaken as appropriate, and the boundaries and behaviours that are acceptable and appropriate within the school context, and those which are not. I have been provided with a copy of the school's Code of Conduct and have read Part One (Safeguarding information for all staff) of the most up-to-date version of Keeping Children Safe in Education.

I understand that adults are in a position of trust when working with young people and that appropriate boundaries must be maintained at all times. This means that language, demeanour and content of conversations, whether in person/face-to-face or via electronic must all be professional and relevant.
