

Gomer Infant School
Long Term Curriculum Plan
Year 2 2023-2024

	AUTUMN	SPRING			SUMMER	
Project title	Once Upon A Time..	Remembering	To Infinity & Beyond	Planet Protectors	Dragons & Heroes	All Creatures Great & Small
Project intent	Children get immersed in fairy tales and use this to help them to write and create their own adaptations.	Children develop an awareness of why it is important to remember special people especially on Remembrance Sunday.	Children will use the theme of space to find out about a significant historical event within living memory. They will learn about the first moon landing and compare to space travel now.	Children will focus on the impact humans have on the world and how we can take care of our local environment to make things better.	Children will be excited and engaged in their learning by finding a strange egg and a visiting dragon. Later in the half term they will be inspired by a hero of the past – Admiral Lord Nelson.	Children will immerse themselves in learning about animals and will make links with their local, national and international geography learning.
Project outcome		Remembrance Poetry given to the church to display		Letter to council Litter picking at Privett Gardens
