

Giving children the opportunity to make music,  
think more musically and become more musical.

Developing a love of music through exposure to different  
musical genres, composers and styles of music through  
high quality and diverse examples.

Equipping children with the technical  
skills, creativity and confidence to compose  
their own music and evaluate their own  
and others work through a range of styles  
and genres.

**Our Music Curriculum  
enables our children to  
shine by.....**

Providing children with the  
opportunities to practice, perform and  
celebrate music within a variety of  
different musical genres.

Providing high quality teaching,  
including specialist teaching from  
Hampshire Music Service.

Fostering a love of singing. We provide children with  
opportunities to sing and develop their vocal potential.
