

# Volunteers at Gomer Infant School

## **What sorts of things will I be asked to do?**

*You will be supporting the teacher; this may include reading with children, supporting group work, helping with art or other practical subjects and preparing resources.*

## **What should I wear?**

*Comfortable and safe clothing, not denim, open backed shoes or flip flops. Please ensure mobile phones are not used in the school building.*

## **Can I help in my child's class?**

*It can be distracting for children if their family members are helping in their classroom so we will always place volunteers in a different year group from their child.*

## **What will I need to do before my first visit?**

*Provide your e mail address so you can complete a DBS check, read the Health and Safety for Visitors leaflet, visit our school website for information and policies, read and sign the 'Volunteers in School Agreement'. You will be asked to sign in and out electronically on each visit.*

## **What will I do at break times?**

*During morning and afternoon breaks you are invited to have a drink in our staff room. If you are in school over lunchtime there will be a room available for you to have your lunch.*
