

Year 2 Topic Plan

A guide for parents

Once Upon a Time

This term Year 2 will be learning through the topic
'Once upon a time'.
Exploring stories, places and people from the past and present.

Small
steps make
big stories!

Maths

Our learning will consolidate our understanding of the number system and our fluency in using a range of calculating strategies to solve addition and subtraction problems. We will continue to learn key facts which can be applied when calculating. Adding and subtracting 10 will be crucial learning.

"Stories
inspire us
to be brave,
kind and
curious."

Let's make this a
magical term!

Computing

We will revisit our knowledge and understanding of how to keep ourselves safe when using the internet. We will also be identifying uses of technology both within and outside school.

Geography

We will be consolidating our knowledge of the countries of the UK and their capital cities. We will answer the question: "If Rapunzel wants to visit some castles in the UK which capital city would be best to visit?"

Music

We will learn music genres with the support of the music programme Charanga. Listening, evaluating and forming our personal opinions about the music.

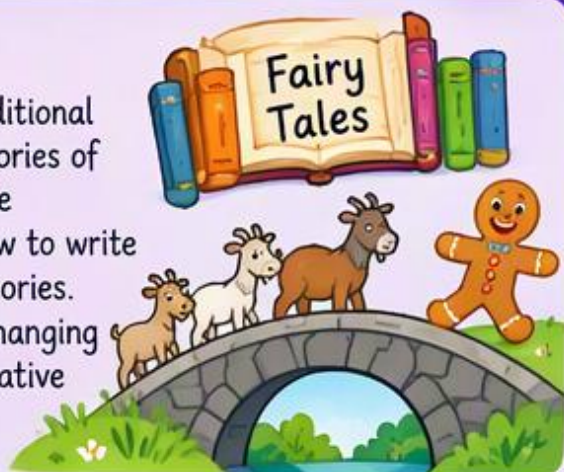

PSHE – Jigsaw

We will design our class charters including an understanding of our rights and responsibilities. We will discuss our hopes and fears for the year and help children plan achievable goals to thrive.

English

Our learning will be based on traditional fairy tales. We will focus on the stories of the Three Billy Goats Gruff and The Gingerbread Man. We will learn how to write a blurb and retell these familiar stories. Followed by innovating these by changing the characters and inventing alternative endings.

Science

The children will plan their own class experiment linked to seasonal change and collect data throughout the year. This is our long term study. We will also learn about animals, their different classifications and how they survive.

Art

We will be exploring and mixing a variety of resources and materials to create a collage linked to our story character, the troll.

Be kind
Be brave
Be curious

Learning today for a brighter tomorrow
